PETITION TO ACCORD FILING DATE TO UTILITY APPLICATION

Mail Stop Missing Parts
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In response to the "Notice to File Missing Parts of Nonprovisional Application," mailed October 9, 2003 ("the Notice"), Applicants hereby petition for acceptance of all 22 sheets of drawings, including sheet 19 (FIG. 18), and that the present application be accorded the July 14, 2003 filing date.

The Notice indicates that a filing date was not accorded the application because the application was allegedly filed without sheet 19 of the 22 sheets of drawings. Applicants did in fact enclose all 22 sheets of drawings, including sheet 19, with the filing made on July 14, 2003.

Attached hereto as Exhibit A are photocopies of the 22 sheets of drawings filed with the application on July 14, 2003, including sheet 19. The 22 sheets of drawings include at the top the Title of the application, Attorney name, the Attorney's internal docket number, and the sheet number and total number of sheets provided.

Attached hereto as Exhibit B is a photocopy of the postcard as mailed with the application in accordance with standard PTO practice. The postcard indicates inclusion of, *inter alia*, 22 sheets of informal drawings.

Attached hereto as Exhibit C is a photocopy of the Certificate of Mailing for the above-entitled application. On the Certificate of Mailing, Applicant's attorney (the undersigned of this petition) certified that 22 sheets of informal drawings were deposited with the U.S. Postal Service "Express Mail Post Office to Addressee" service with sufficient postage under 37 CFR 1.10, and properly addressed to the Commissioner, on July 14, 2003. Thus the 22 sheets of Exhibit A were certified to have been mailed via Express Mail on July 14, 2003 in accordance with 37 CFR 1.10.

Applicants respectfully submit that the 22 sheets of drawings presented here as Exhibit A were submitted with the complete application on July 14, 2003. Applicants included reference to the 22 sheets on the postcard of Exhibit B. Further, Applicants' legal representative certified that the 22 sheets of drawings were included in the July 14, 2003 Express Mailing, and submitted in accordance with 35 USC 1.10.

CONCLUSION

Applicants submitted all 22 sheets of drawings in a timely manner, including sheet 19 (FIG. 18). Applicants do not know why the PTO may have only received 21 sheets of drawings. Applicants therefore request that the July 14, 2003 filing date be accorded the above entitled application.

Applicants believe that this petition was not required by any action or inaction of the Applicants. Applicants acted properly in all respects and submitted all required materials in a timely manner. Applicants therefore request a waiver of the \$130.00 petition fee.

Should the Commissioner be of the opinion that a waiver of the petition fee is not proper in these circumstances, the Commissioner is authorized to charge the \$130.00 petition fee and any additional amounts due in connection with this matter to our Deposit Account 502026. Should the Commissioner charge the aforementioned Deposit Account, Applicants request review and consideration of the enclosed Request for Refund.

Respectfully submitted,

Steven W. Smyrski, Esq.
